

# HOTEL TIKI•TIKI TULUM TOWN

## Directions From Cancun International Airport

Tulum is 120km (75mi) away, about 1 hour and 40 minutes drive from Cancun Airport.

Exit the airport and when you reach the highway 307 take the right (direction south) & follow the signs towards Playa del Carmen and Tulum.

It's a very easy and simple drive, always drive straight on the highway direction south. You will drive and pass Puerto Morelos, Playa del Carmen, Puerto Aventuras, Xpu-Ha, Akumal, Chemuyil, Xel-Ha and finally arrive to Tulum Town.

Once you reach Tulum Town always keep going straight, you have to cross Tulum Town completely. At the end when the town seems to end and the road becomes narrow again just keep on going (direction Chetumal) until you see on your left side HOTEL GAIA. After Hotel Gaia take the first paved road on the left, (there is a small wooden sign of "Harmony" "HOLISTIKA" and "Hotel Tiki Tiki") and go straight for about 500m (0.3mi), then turn to the right on the only paved road with a tree in the middle, and at the end of the road on the left side you have arrived to the Hotel Tiki Tiki. You can park anywhere on any free space.
